Subject: "SEPOSSO" (Supporting Environmental governance for the *POSidonia oceanica* Sustainable transplanting Operations) EU LIFE project - Endorsement letter

Call for Proposal: NAT/GIE 2016

I am writing to confirm that the offices of Regione Liguria dealing with EIA and Marine ecosystems management

Address: via D'Annunzio, 111
Phone Number: +39-010-54851
e-mail: via@regione.liguria.it

will join "SEPOSSO" EU LIFE project proposal as external stakeholders. Regione Liguria is a Public body.

Regional offices, as stakeholders engaged in the decision-making process related to *P. oceanica* protection, are interested in the technical and scientific deliverables of the LIFE SEPOSSO project, to assess feasibility, modality and inspection and surveillance of transplanting of *P. oceanica*, when meadows restoration is desirable because of bad conservation conditions.

Regional offices will support this project enhancing visibility, promotion and diffusion of the SEPOSSO LIFE project activities and results, through the participation of their members in training courses, seminars and workshops.

Yours sincerely

Il Direttore Generale
(dott. Adriano Musitelli)
