AE

AE AE

Punti di forza:

- I progetto dispone di risorse (finanziamento europeo)
- I partner coinvolti dispongono di esperienza e know-how sul tema trattato
- I partner coinvolti sono presenti e attivi sui territori coinvolti

Debolezze:

- Incertezza sull'effettiva possibilità di trasferire (a fine progetto) le buone pratiche e gli strumenti di SEPOSSO a livello EU
- Difficoltà di cooperazione tra i partner

Opportunità:

- La tematica trattata da SEPOSSO trova spazio nel dibattito mediatico

Minacce:

- Ritardi dei survey nei siti selezionati a causa del maltempo
- Difficoltà nel processo di networking con progetti EU conclusi affini a SEPOSSO
- Scarsa partecipazione ai questionari da parte degli stakeholders
